

JACKSON FURY SOCCER CLUB

Promoting Competitive Youth Soccer in Jackson Twp and Surrounding Communities

Proof of Age Required

Parents,

Player proof of age must be submitted to US Club Soccer before a registration will be approved.

Acceptable forms include a state or health department issued birth certificate, a passport, or government issued identification card such as a driver's license that shows the player's legal name and birthdate. Please note that hospital certificates are NOT accepted. If the player's name has been changed since birth, we must also submit the appropriate court or adoption records. Scan these documents, confirm that they are legible, and upload during the online registration process. Acceptable file formats are Adobe Acrobat pdf or Picture file formats.

Please note that we must receive this before we can process your child's registration! If the document is not uploaded or provided prior to the registration deadline, late registration fees will be assessed. If you have any questions or are unable to promptly locate the documents, please contact Jackson Fury via our website for guidance on how to proceed with the player's registration and submitting the birth certificate at a later time.

Thanks,
Tom Strock, President
Jackson Fury Soccer Club
